

### EASY CROCHET Child RIBBED HAT

Worsted weight yarn and I use a "H" hook for a female hat. Maybe a "G" hook would work for a child size hat. NOTE: I tried hook "J" & "K" , and the hats came out way too big.

Crown requires 1 oz of yarn. The total weight of the finished hat is about 4 oz. depending on the yarn you choose. I've been using a mix of many little leftover balls of yarn that match, coordinated with fancy yarns and ribbon or variegated yarns which make the hats very colorful.
