

1.

Anna Wrap

Classic cables and bobbles flirt with dropped stitches and fluted edges for an elegant reversible wrap.
Wear it forwards or backwards, twisted like a moebius or not.
The laced ends let you play as you like.

Finished Measurements:
12" wide x 45" or desired length

Gauge:
Approximately 3 sts/inch in stockinette on
US10/6mm needles

Materials:
540 yards of yarn of your choice,
US 10/6mm needle or size to obtain gauge,
2 yards of ribbon

Yarn Suggestions:
Brown Sheep *Lamb's Pride Worsted*
Cascade Yarns *Pastaza*
Classic Elite *Ba.z.ic Wool*, *Duchess*, *Montera*
Colinette *Skye*, *Prism*
Filatura di Crosa *Love*, *Primo*, *Zara Plus* (shown)
Manos Del Uruguay *Wool*
Nashua *Creative Focus Chunky*

Design Notes

This flirty little reversible wrap is fun to make - in your choice of luxurious fibers - and easy to size. The length is up to you and can vary depending on whether you twist it into a moebius or not. Measure as you go for a snug shoulder fit. The width won't be apparent until you bind off and drop four stitches so don't worry if it seems quite narrow as you knit it.

The ribbed cables although reversible are worked on just one side. The bobbles and twisted edges, however, are worked on *both* sides. The pattern refers to right side and wrong side for ease of direction even though there is no such thing when you wear it.

The eyelets at each end provide the option of lacing, as shown, gathering, twisting or whatever strikes your fancy. Or if you prefer, just keep knitting to make it long and luxurious to wear as a traditional wrap without the eyelets. So have fun knitting, designing *and* wearing your Anna Wrap.

Definitions *K: Knit P: Purl, St: Stitch, Sts: Stitches*

PATTERN:

Cast on 68 sts with a long tail cast on.

Work row 1 (bottom row) of the Eyelet Chart going *from left to right* (wrong side row).

Create eyelets on the second (top) row. Follow the chart going from right to left (right side row):

K1, [YO, k2tog] 5 times, p3, kl, [YO, k2tog] 2 times,
kl, [YO, k2tog] 2 times, p3, kl, [YO, k2tog] 3 times,
kl, [YO, k2tog] 3 times, p3, kl, [YO, k2tog] 2 times,
kl, [YO, k2tog] 2 times, p3, kl, [YO, k2tog] 5 times.

Start the body on Row 2 of the Pattern Chart (wrong side row) going from left to right. The key below the charts indicates when to repeat the twists, bobbles and cables. Work until piece is 45" or length needed to fit around your shoulders snugly. The lacing can

provide extra give so don't be too generous. End four rows beyond a twist or cable and the completion of a wrong side row. Repeat the eyelet row (top) of the Eyelet Chart on a right side row. Then work the bottom row of the Eyelet Chart (wrong side, left to right). Bind off in pattern on the following row dropping the middle purl st in each purl 3 group marked with a * in the chart below as follows: Bind off to the designated stitch. Push the stitch off the left needle and let it run to and through the cast on. Elongate the stitch on the right needle to "bridge the gap" made by the dropped stitch. Knit the next stitch on the left needle without tightening the yarn across the gap. Bind off the elongated stitch on the right needle and continue to bind off as usual to the next dropped stitch and repeat across the row.

EYELET CHART

PATTERN CHART

 Knit on right side, purl on wrong side.

 Purl on right side, knit on wrong side.

 YO: Yarn over/around the needle.

 K2tog: Knit 2 together.

 Bobble: K in front, back, front, back, front of same st (5 st). Turn, p5. Turn, k5. Turn, p5. Turn, k5, pass first 4 sts over last st k. Alternate repeat every 8 rows, then every 16 rows.

 Edge Twist: Slip 7 sts to cable needle, twist clockwise 360° so first st is first again and place back on left needle, then work as usual. Repeat every 12 rows.

 10 St Cable: Slip 5 sts to cable needle in front, work 5 sts, work 5 sts from cable needle. Repeat every 8 rows.

 14 St Cable: Slip 7 sts to cable needle in front, work 7 sts, work 7 sts from cable needle. Repeat every 24 rows.
