- dc = double crochet tr = treble crochet sk = skip beg = beginning (RS) = right side

Special stitches

- **hdc/sc in 3rd loop**= instead of working crochet stitches in top loops of the previous round, you should find a 3rd loop on the wrong side or back side of the crochet piece. This 3rd loop is located on the wrong side just under the top 2 loops. Start to make a crochet stitch you want as normal way. When you inserting hook into the loop in the previous row just skipped the top 2 loops and turn a crochet piece forward and insert the hook in 3rd loop, Finish the stitch as normal.
- **Picot** = crochet ch 3, sl st to the previous tr you just crocheted.
- **Shell stitch** = (2 dc, 2 tr, picot, 2 tr, 2 dc) in indicated st.
